Subject: RE: funding

Dave,

Minutes from previous design meetings –

- meeting 4 item 3.1 (bullet 3) discusses the hall capacity for delivery of teaching and the argument against a smaller hall
- meeting 5 item 4.3 item discusses the robust case for a larger hall against pupil numbers and the requirement of BB103 – Kevin was present at the meeting and noted this was 'not excessive'.

Do these assist? Call me to discuss if required.

Many thanks

Phil
