

Dear Parents,

The CL Junior Golf Academy lessons are continuing at Lowbrook Academy every **Monday after school** time between 15.15 pm – 16.15 pm. Years 2 - 6.

CL Junior Golf Academy prides itself on giving all boys and girls the chance to learn and improve their golf with this great sport that improves children's lifestyle skills, eye-hand coordination, self-esteem, behaviour, etc.

We provide the equipment, however children are welcome to bring their own golf clubs. Sessions will be held on the field when working on short game and full swing and indoors when working on putting. PE kit and trainers would be suitable for the lessons.

The cost of the lessons will be £5.50 per lesson, and a total of £60.50 for the course.

Monday 17th of September 2018 - Monday 10th of December 2018 (11 weeks).
Payments can be made by cash, cheque or Bacs (please, make cheques payable to Cristian Lopez, for Bacs payment contact Cristian).

Through the holidays will be holding golf-days at Billingbear Golf Club where the children play on the course, meet children from other school, get prizes and have a memorable golf-day.

Don't hesitate to contact Cristian if you need more info, cris@cljuniorgolf.co.uk

Many Thanks
 Cristian López
