New Car Park Barrier

The new car park barrier has been installed to ensure that school and nursery staff can park in the car park during the school day and that pupils can cross the pedestrian crossing safely.

There will be bays, including a disabled bay, marked along the playground fence which parents and caregivers may use at drop off and pick up time.

We would ask that parents and caregivers continue to walk their children to school whenever possible and that, if they are parking in the residential roads surrounding the school, they do so with courtesy and consideration.

Lowbrook PTA Book Swap

Wednesday 1st May 2019

In celebration of 100 years of children's book week, the PTA will be hosting a book swap event on 1st May. We would be delighted to receive all the books that your children have finished with, and in return your child will receive a voucher to take a different book home. Any extra books you'd like to take home will be only £1 each and we will also be selling book marks, reading lights, book bags and story character cupcakes as well as hosting other activities and competitions.

Members of the PTA will continue to collect books in the playground at drop off and pick off next week, up until Wednesday morning.

The book swap itself will take place under the canopy at the front of the school from 3pm on Wednesday 1st May.
