### **Caterlink Account Balances**

The school is under increasing pressure from Caterlink regarding the level of debt consistently accrued by Lowbrook Academy pupils.

With this in mind, we must remind parents of KS2 children (Years 3, 4, 5 and 6) that Caterlink do not offer a credit facility for your child's school lunches.

Caterlink require that all meals are paid for in advance via the online payment system (Scopay).

If your account is in arrears it is highly likely that Caterlink themselves will begin to contact you directly regarding this.

If you have not yet registered for Scopay please contact the school office as soon as possible for registration details.
