Monday 7th January 2018 – After School Activity Clubs commence

Parent Talk – How to Keep your Child Safe Online

Our children live in the Internet Age. They love to use technology and play the latest games. However, it is not always easy for parents and carers to understand what they are doing and how we can help to do the right things to keep them out of danger.

The school will be having a Special Internet Safety Day where the children will learn about going on line and how to keep safe.

It is important that parents are also involved so they are able to help their children when they are at home. We would therefore like to invite you to a special talk on **Tuesday 29th January at 6.00pm in the Pavilion.**

The talk is being given by Paul Hay, who is a specialist in Internet Safety. Above all it will give you as parents and carers the confidence to help your child get the most benefit and enjoyment from the Internet whilst keeping safe.

Topics will be discussed in language we as parents understand. No technical or computer knowledge is required or expected.

Letters have been sent home via pupil post today. Please can you complete and return the reply slip by Friday 25th January if you would like to attend this talk.
