Arts and Culture Week 2019

We would like to remind you that we will be holding an Arts and Culture Week from the 20th to the 24th May 2019. Each class will be studying, through the ARTS, the different cultures, traditions and customs of various countries around the world. The children will be involved in Dance, Drama, Poetry, Art, Music and Technology and will work with their own teachers together with Artistes in the discrete art forms. The children will also be producing finger food from their countries of choice.

On the 23rd May, from 2.45pm – 5.00pm, an exhibition of work from the week will be held in the classrooms and around the school. Class performances this year will take place on the field in front of the Pavilion and we would like to encourage parents to watch as many of the performances as they wish.

At 3.00pm – 5.00pm there will be an International Food and Drinks Fayre which will be held outside, in front of the Lowbrook Suite. Included in the Fayre the LPA will be selling hot dogs and popcorn. Other national foods will also be available. In addition, there will be a bouncy castle on the school field (open from 4.30pm) and an ice cream van.

Please note that on Thursday 23rd May there will be no Prep Club, After School Club or Sports Activity Clubs running after school.

The children and staff are looking forward to the week and we hope to see as many of you there to support the school and your child in what promises to be a fabulous celebration of the diverse world we live in.

Specific timings for each class performance have been communicated via pupil post this week. If you have any queries regarding class timings please contact the School Office.
