Morning Drop Off

We would like to congratulate the children who line up in their class lines every morning independently of their parents. We would also like to thank the parents who wait behind the marked lines to watch their children line up and go in to class with their teacher at 8.55am.

Next week we would like for all children and parents to follow this example, to ensure that the morning drop off runs as seamlessly as possible.

School Car Park

We would like to take this opportunity to thank those parents and caregivers who do not park in the school car park whilst dropping off or collecting their children.

The school car park remains reserved for school staff and contractors, however, staff are continuing to experience difficulties in parking their cars as early as 8.00am in the morning, which then delays the start of their school day.
