

Pupil Post Update

We have recently implemented an email communication service to run alongside our text communication service. From now on, where possible, all letters will be sent to parents via email rather than pupil post. We will also be asking for all trip consents and payments to be made via Scopay.

Children In Need 2019

We are delighted to announce that our 'Pudsey inspired' Non-Uniform Day on Friday 15th November 2019 raised a grand total of £312.87 for Children In Need.

Car Park

We have noticed an increasing number of parents and caregivers parking along the playground fence at drop off and pick up times. Please be reminded that the only parking that is allowed in the car park is in the clearly marked drop off and pick up bays. Any other parking blocks the entrance gates to the school, causes traffic congestion on The Fairway and would also make it very difficult for emergency services to access the site should the need arise.

Please can we therefore ask for all parents and caregivers cooperation in parking in the marked drop off and pick up bays only and not along the playground fence.

Social Media Policy

We would like to draw parents and caregivers attention to the school's Social Media Policy, which can be found on the school website as an appendix to the Email, Internet and E-safety Policy via the following link: <https://www.lowbrookacademy.co.uk/policies.aspx>
