Cycling to School

Please note that any children cycling to school must use the pedestrian access into the school car park.

Children must dismount before the pedestrian gate and then walk their bicycles along the path and across the zebra crossing before continuing on to the bicycle shed.

Please remember that your child needs to obtain a cycle permit from the school before bringing their cycles on to the school site.

The request for a permit can be found in the school's Cycling to School Policy which is published on the policy page of the school website.

School Dinners for Year 3 Pupils

Please note that if your child has moved up to Year 3 this academic year then they will no longer be eligible for Universal Free School Meals (UFSM).

The cost of a school dinner is currently £2.20 and Caterlink request that pupil dinner money accounts remain in credit at all times.

You can add funds to your child's Caterlink account via the Scopay system.

If you have any queries regarding this, or require any further assistance, please contact the School Office.
