

## Behaviour Principals and Behaviour Policy

*Good actions give strength to ourselves and inspire good action in others – Plato*

### 1. It is our Aim to

- i. Provide a calm, safe environment for all children where they feel secure and happy and have the motivation and opportunity to learn.
- ii. Have a consistent whole school approach to behaviour and discipline.
- iii. Achieve high standards of learning and be high achievers.
- iv. Work successfully in partnership with parents.
- v. Promote self-discipline and give children choices about their behaviour knowing the consequences of that behaviour.
- vi. Promote positive growth mind-set principles and encourage children to develop resilience in all aspects of their learning.
- vii. Promote respect for others and for the environment (at school, local and global level).
- viii. Reduce the time spent on dealing with classroom and playground incidents thus enabling more time to be spent on teaching and learning.

### 2. The Golden Rule for all of us in school is:

***Everyone will act with courtesy and consideration to others at all times.  
We will keep ourselves and others safe.***

Further specific rules are generated at the start of each year by the children following a whole school assembly and a walk around the site. These should be displayed in each classroom and in communal areas and used as a point of reference throughout the year.

### 3. General Guidelines

#### Key Elements

- A key element of our Behavioural Policy is to focus on the positive. We must remember there is no such thing as a bad child, just bad behaviour.
- The teacher should not focus on the individual(s) who are behaving inappropriately. He/she should focus on the majority who generally conform wherever possible, therefore praising and encouraging good behaviour.
- Positive reinforcement should never be underestimated.

## **Boundaries**

- Children need to know their boundaries. This provides security. If sanctions and rewards are applied with consistency the children know what will happen next. School boundaries and class rules aid this approach. These are revised at the first assembly of each academic year, known, understood and agreed by the children and displayed in the classrooms and communal areas of the school.
- If these boundaries waver because sanctions are inconsistently applied, children may well attempt to push those boundaries to see how far they can go. Consistency from all staff is essential.

## **Children's Choices**

- The children should be encouraged to take responsibility for their own actions.
- If they choose to behave in a positive manner they will enjoy positive consequences.
- If they behave in a negative way they must understand the detrimental effects of this and understand that negative consequences will follow.
- If they choose to alter behaviour and comply or conform they are praised and will enjoy positive consequences.

## **4 Guidelines for Classroom/Lesson Behaviour**

### **4.i. Classroom Rules**

Clear, structured rules within the classroom are vital. These should reflect the school's Golden Rule and agreed classroom and school rules developed at the annual behaviour and rule setting assembly. The rules need to be shared by the children and adults working in the class and reinforced in a positive way as part of the daily routine in the classroom. The children must be clear on 'readiness for learning' and this will be regularly reinforced by all staff.

**Philosophy Circles** can provide a useful forum for discussing these rules, attitudes and behaviour.

### **4 ii. Rewards**

- Our system of rewards covers both academic and non-academic achievements.
- Rewards need to be given for the effort a child puts into a task or behaviour, not merely the end result.
- When trying to establish positive behaviour it is best to be generous with rewards. (e.g. We encourage our lunchtime controllers to praise 6 times more than negatives.)
- Credit earned should not be forfeited for subsequent behaviour.
- It should be remembered that peer approval and attention is very attractive to some children. (This is why we focus on positive behaviour.)
- Rewards can be particular to an individual. What pleases one child will not necessarily work for another.
- A reward cannot be relied upon to work indefinitely. Be prepared to ring the changes from time to time.

## Types of Rewards

<b>Verbal praise -</b>	<p>Quietly, one to one</p> <p>Public praise in class and assemblies</p> <p>Sent to another adult – Mr Rooney, Miss Iasi, Key Stage Leader, Mentor</p> <p>Tell parents informally after school in the playground</p>
<b>Non-verbal praise -</b>	<p>Smiles, nods, high fives, thumbs up</p>
<b>Stickers &amp; Stamps -</b>	<p>Put on work</p> <p>Given to child</p> <p>Lunchtime awards</p> <p>(These can be presented in a forum e.g. in front of a class or assembly)</p>
<b>Special Mentions -</b>	<p>Announced in assembly</p>
<b>Informal Rewards -</b>	<p>Line up first</p> <p>Collect snack first</p> <p>Do monitor jobs</p> <p>Choose seat</p> <p>Use special equipment etc.</p>
<b>Good News Letters -</b>	<p>Awarded when children have not lost golden time in Term 1.</p> <p>A different letter sent to parents of children who have tried hard to improve their behaviour. (The first one is sent at Christmas and is hand written by Mr Rooney.) Terms 3 and 4 are rewarded by an additional golden period e.g. Wheelie Day. In order to be rewarded with a letter or Wheelie Day, children must not lose Golden Time more than 3 times a long term.</p>
<b>*Group Rewards -</b>	<p>Table points</p> <p>Special Treat</p> <p>Chart to colour in</p> <p>Special display</p> <p>Wheelie Days</p> <p>Whole school wheelie days etc.</p> <p>Marble Jars</p>
<b>*Individual Rewards -</b>	<p>House points - see guidelines</p> <p>Tick list</p> <p>Chart to colour in</p> <p>Certificates</p> <p>Star of class</p> <p>Work of week</p> <p>Merit Cards for Year 6</p> <p>Smiley Faces</p>

**Year Group consistency** is important. Rewards to be used should be established at the beginning of the year. All Classrooms and children have the right to 30 minutes Golden Time each week. Poor behaviour will result in removal of this time. It cannot be earned back.

### **Golden Time**

- Thirty minutes per class per week in the final session on a Friday.
- Children should choose an activity from the Golden Time Treasure Boxes or alternatively an activity that the child has brought in themselves.
- Golden Time may be reduced for poor behaviour or attitude to work at the teacher's discretion. A record kept for each pupil (This is usually no more than 1 minute at a time; Senior Leaders may take away all of the Golden Time and we use that time to reflect with the children).
- Children who have lost Golden Time minutes will be reported to Key Stage leaders during team meetings. Key Stage leaders will subsequently advise the SLT. Children who regularly lose Golden time will be identified and supported with their behaviour. Support will be specific to the child and overseen by the SENCO.
- Children missing a few minutes out from Golden Time will be expected to sit silently in an allocated place within the classroom (places will vary from class to class) until that sanction has finished. In rare cases, where the child is to receive no Golden Time, they will be expected to sit with a senior leader for the duration where counselling and discussion regarding the sanction will be the focus.

### **4iii. Consequences**

Each teacher should make sure that the School Rules for the class and school are clearly understood by the pupils and displayed in the classroom.

If a pupil chooses to ignore the rules the following list of incremental actions and consequences should be consistently applied.

1. A verbal warning given. Use of words is dependent on the maturity of the child. The older children may receive a warning that is not verbal, e.g. a point or a look.
2. Name written in class teacher's folder and one minute off their Golden Time. This minute cannot be given back.
3. Child asked to move to another part of the classroom. (Time-out in class)
4. Time-out in another class. (Preferably in an SLT member's room). Make a note of it on Significant Observation form. In the circumstances the child will be accompanied by the class TA and the TA will give a full explanation to the SLT Leader.
5. A senior Leader will be sent for and take control of the child in concern.
6. If the behaviour continues and the senior leader is being ignored the Head of School or Executive Principal will be called.
7. The Principal will be responsible for the child and will exclude for a fixed period if the child continues not to conform to the school rules and instructions of the Executive Principal. This is a graduated response and all staff will ensure that appropriate time and strategies are in place to give the child every opportunity to progress from the situation with reflection, thus avoiding further

sanctions.

Note:

Each lesson this set of consequences would start at Number 1. If a child chooses to persistently offend, the list of consequences would continue.

If a child refuses to leave the classroom when sent for Time-out, the teacher should try to avoid further confrontation by either:

- a) Ignoring the child if he/she is not disturbing her teaching or other children's learning, but make him/her aware of the fact that this will be followed up later by a member of the SLT. At the end of the lesson take him/her to the Time-out classroom with work for next session.
- b) Send for assistance from the Executive Principal, Head of School or member of SLT if the pupil is choosing to continue to behave in a manner which disrupts the learning or teaching in the classroom. Preferably a TA or another child should be sent, where possible, **with a note** explaining the situation. If other children are in danger from the pupil, they should be moved away from the situation by the teacher.
- c) All serious incidents will be recorded in the schools Behaviour Log along with testimonials or other evidence.
- d) If the child is a physical danger to themselves or others, then the staff will need to respond by using the guidelines within the Use of Force to Contain or Control Policy (sometimes referred to as Positive Handling). Teaching staff have received Team Teach training (15.01.18) and understand how to respond under these circumstances. New staff will receive this training in 2018/19; existing staff will be updated.

## 5. Monitoring

We are continuing to use the Behaviour Log kept in the Executive Principal's office to record challenging, bullying, gender discrimination or racist behaviour. If any teacher makes an entry in the Behaviour Log, the teacher will make sure that the Head of School and/or Executive Principal knows. The behaviour log is to be used for serious incidents beyond Significant Observations. Parents are to be consulted on incidents recorded in this log if they are regular. The SLT will regularly monitor this log and direct resources and appropriate interventions to where they are required. Behaviour is observed in all lessons, reviewed in team meetings and again reviewed at SLT meetings. Behaviour is reported on at Governing Body meetings and Governors are encouraged to regularly visit and express views.

## 6. Counselling/Coaching/Mentoring

We will provide daily opportunities for children to talk about what has happened and help them make decisions about how to improve their behaviour. Weekly Philosophy Circles take place in every classroom providing valuable opportunities to discuss and solve class specific issues.

## 7. Serious Incidents

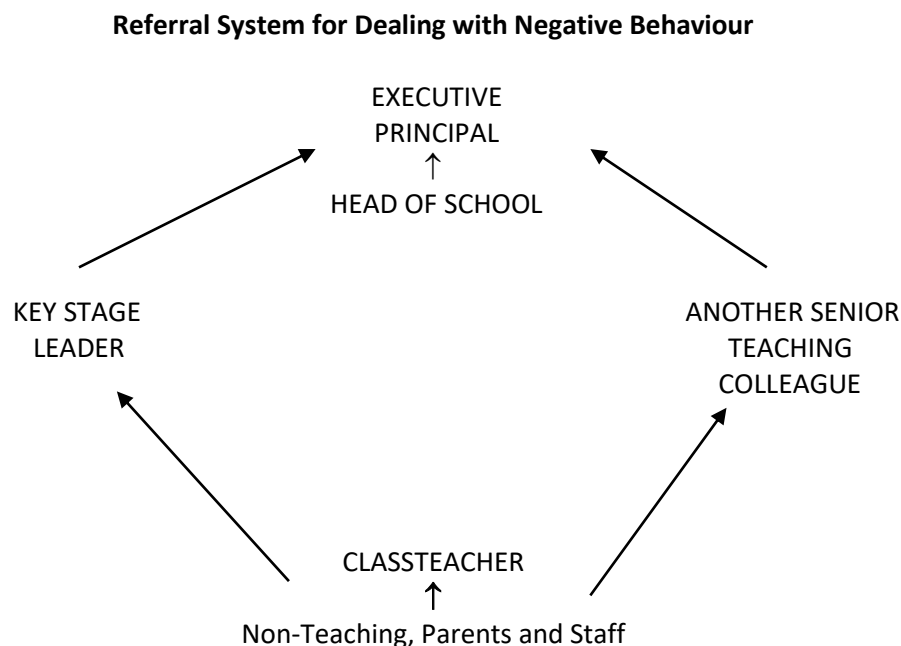

Some kinds of incidents are too serious for us to follow the normal consequences. These include deliberate damage to property and assets, physical aggression against staff or pupils, racial, sexual or disability equality attacks and abuse, drug abuse and severe disruption of learning in class.

These situations will be dealt with by the SLT, possibly the Designated Safeguarding Lead (DSL) and ultimately the Executive Principal. In certain circumstances, when considered necessary, the special staged behaviour monitoring plan will be used. Exclusion is at the full discretion of the Executive Principal (or the Head of School in his absence), however at Lowbrook, where possible, the Teaching SLT will be consulted.

Serous incidents as outlined above are likely to lead to permanent exclusion, imposed by the Executive Principal after investigation. In addition, children who persistently disrupt the learning of others and who show consistent disregard to the school rules and general sanctions will be excluded for fixed term periods and if the behaviour fails to improve the Executive Principal will permanently exclude.

An example of this would be if the Executive Principal or Headteacher feels that despite previous sanctions and interventions the child's behaviour continues to break the school rules and they continue to disrupt the safety and learning of others.

If an exclusion is carried out it will be done within the up to date DfE regulations, guidance and statutes at the point of exclusion.

**These situations will be dealt with by the Executive Principal and may lead to Fixed or Permanent Exclusion.**

- Deliberate physical aggression against a pupil or adult including: hitting, slapping, kicking, biting, spitting or scratching,
- Swearing,
- Drug abuse,
- Racial aggression and abuse,
- Sexual discrimination, aggression and abuse.
- Bullying – in line with the definition outlined within the Anti Bullying Policy,
- Deliberate damage to property or assets.

The Executive Principal reserves the right to sanction or punish a child how he feels fit but will employ a restorative justice approach wherever possible. In addition, he has the right to retract a punishment given by a member of staff and/or overrule the original punishment given out. The ultimate conclusion is that the Executive Principal may enforce a Permanent Exclusion.

The Executive Principal reserves the statutory right to evoke this policy when children are wearing the Lowbrook Academy school uniform out of school hours and during transitions to/from school.

The Executive Principal will also evoke this policy if social media is used as a means of demonstrating negative behaviours to other pupils and staff in this school.

## **8. Guidelines for moving around school**

1. The children should move around quietly. They should at all times be cautious towards other people.
2. The children should walk in single file on the left hand side especially in communal areas, (Art Room, ILE etc.). However, it may be appropriate when outside for the children to walk in pairs.
3. The children should walk silently into assembly and wait to be told to sit down either by the class teacher or adult conducting the assembly.
4. The teacher should consider his/her position carefully when taking a whole class around school. It is usually best to walk alongside the middle of the line but the children should expect that the teacher will move along the line keeping 'an eye' on everyone.
5. The first child(ren) in the line should hold open the door(s) for the rest of the class. Then join the end of the line when all class have passed through. All pupils should be taught to hold doors open for adults. Care should be taken when closing doors.
6. The teacher should train their class where regular stopping points are en-route around the school, in order for them to keep a check on the line.
7. Children are to go to the toilet in single sex pairs only (with the exception of the class in the

Pavilion).

## **9. Guidelines for Playtime Behaviour**

### **9.1 All staff are committed to enabling pupils to have a safe and enjoyable playtime experience.**

It is important that children's play time experience is a positive one, so that they can return to the classroom ready to resume their work.

Playtime provides opportunities for children to learn games and develop social relationships.

During playtime the children will have access to playground equipment, such as skipping ropes and balls. It is recognised that fewer problem situations occur when the children have many opportunities to join in constructive activities. All playtimes are supervised by the class teacher and TA. Playtimes at Lowbrook are different and vary on a daily basis. The teacher will generally decide when the children need a break. This approach rapidly decreases the numbers of children out at once and improves supervision and behaviour.

### **9.2 Ways to promote positive playground experiences**

1. Share rules for each area including the playground, adventure playground, field, pond, foundation stage hard play area (This is to be done on the first day of each academic year during the Health and Safety walk around).
2. Apply the rules consistently.
3. Each year review the rules with pupils. (This is done at the first assembly of each year, rules are then collated and reproduced in poster form by Year 6 and are displayed in the classrooms and central communal areas).
4. Promote Play Leaders and monitor their effectiveness (Responsibility Miss Iasi).
5. Encourage plenty of activities. Teach new games to classes in warm up lessons, Golden Time sessions etc.
6. Keep the equipment well maintained and stored to enable easy access (Responsibility: Mrs Denham).
7. Rota the organisation and responsibility for playtime activities and equipment (Responsibility: Mrs Denham).
8. At playtime Staff should show an interest in the games and activities children are playing. They should encourage fair play and include pupils who may not be joining in.
9. Lunchtime Supervisors will continually update play zones, identify areas of need and respond to children who have no one to play with or who appear to be unhappy.
10. Reward good behaviour with Lunchtime Sticker Awards.

### 9.3 Unacceptable Behaviour

1. Name calling,
2. Exclusion of peers on any grounds,
3. Dangerous play e.g. play fighting, wrestling,
4. Bullying,
5. Racist behaviour,
6. Homophobic or gender bullying,
7. Not listening, ignoring or being rude to others.

***N.B When unacceptable behaviour occurs the staff should apply sanctions consistently.***

### 9.4 Good Behaviour Rewards at Lunch and Playtimes

1. **Praise:** Plenty of it!
2. **Lunchtime Sticker Awards:** Each member of staff can reward individuals for playing co-operatively, lining up well etc. Smiley notes to be given to children demonstrating good playground behaviour by the adults on duty. These are passed to the class teacher who displays them in the classroom decides on an appropriate reward.
3. **Class/School rewards:** These are used to reward group behaviour and are to be viewed as special event because the children have earned them. E.g wheelie days.

### 9.5 Sanctions/Consequences for Playtime

1. **First rule breaking - verbal warning** - The member of staff should tell the child what they are doing wrong and which rule they are breaking.
2. **Second rule breaking - Time-Out from play** - The member of staff should choose whether the child should sit at a table, stand at an allocated area or spend time walking with the member of staff on duty. A red card will be completed, passed to Key Stage Leaders then the Executive Principal.
3. **Serious incidents or persistent rule breaking** - If a child behaves in a way which endangers or hurts another child his/her class teacher should be informed. The teacher should decide whether the pupil should:
  - a) Complete a sheet from Behaviour Log. This is kept in the Executive Principal's office.
  - b) Write a letter of apology in their own time.
  - c) Write or discuss what action he/she could have taken to avoid the particular incident.

- d) Write a list of games which can be played which are safe and enjoyable.
- e) Lose some of his/her Golden Time

#### 4. Emergency Procedure

If a child refuses to follow instructions and continues to present a danger to themselves or others the teacher should send for a member of Senior Staff to assist. There is a walkie talkie out on duty that links directly to the office, this could be used to seek the support of a senior leader.

A serious incident must be documented in the Behaviour Log by a teacher.

- The Behaviour Log is to be kept in the Executive Principal's office. The Executive Principal should be made aware of any entry.
- If a child's name appears three times in the Behaviour Log in any one term parents should be informed and invited to come into school to discuss the matter and assist the school in developing appropriate interventions. The senior leaders may chose to do this before three entries.

#### 9.6 Guidelines for Staff at Playtime

1. Teachers are responsible for their class at playtime. They should liaise with the Teaching Assistant so that they can both have a comfort break.
2. Children are allowed to play with provided playground equipment and on the Pirate Ship according to the rotas which are set up (Responsibility Mrs Denham).
3. Sports pitches evolve throughout the year. Use of these is to be monitored and determined by Mrs Denham. Sports pitches will be periodically allocated to Year groups to ease congestion and to keep the playground safe.
4. At the end of playtime the Teacher will raise their hand to inform their class that it is time to go in. The TA will do the same, and will also round up any children that have not realised that it is time to go in.
5. Children should be sent in pairs if they need to go to the toilet.
6. Please report any serious incidents of bad behaviour to the relevant class teachers.
7. If a child is injured the class TA should take him/her to the Medical Room. If the child appears to be seriously injured send another child to fetch a First Aider to the playground. Send a Red Card immediately to the office where a SLT member will attend immediately and resume control and responsibility from that point onwards.
8. Please read: ***Guidelines for Lunchtime Behaviour (Section 10) Sanctions/Consequences for Playtime***
9. The children may eat fruit and drink water, but not other items from their lunchbox. The children must not eat their snacks inside the school buildings unless supervised by an adult.

## 10. Guidelines for Lunchtime Behaviour

10.1 All the Lunchtime Controllers are aware of the aims of our Behaviour Policy. Any new Lunchtime Controllers should be given the opportunity to read this policy and discuss it with a senior member of staff.

10.2 Rules - The Lunchtime Controllers know that the children are expected to behave according to the School Rules.

They know that there are particular rules for the playground and for the hall which are displayed. Each classroom has rules which are displayed in the class. These can be referred to during wet playtimes.

### 10.3 Rewards for Good Lunchtime Behaviour

- a) Verbal praise.
- b) Lunchtime Sticker Awards awarded for helping or good co-operative play.
- c) Good behaviour colour charts (to be arranged in conjunction with class teacher).
- d) Name given to a teacher.
- e) Name written in good book for consistent good behaviour or a marked overall improvement.
- f) House points - awarded one at a time.

### 10.4 Consequences at lunchtime

#### 1. First rule breaking - Verbal warning.

- The member of staff should tell the child what they are doing wrong and which rule they are breaking.

#### 2. Second rule breaking - Time-out from play.

- **In the hall** children may be asked to wait for longer before going out to play, they may have to wait at an allocated area (usually the bench).
- **Outside** the child may be asked to stand in a particular area, sit at a table, walk with the Lunchtime Controller, pick up litter, or may not be allowed to play on the field or pirate ship.
- **Indoors** the child may be asked to stand in an isolated and quiet area of the classroom for a period of time.

**3. Third rule breaking**

- The child's name will be recorded in the lunchtime behaviour book. The class teacher should generally be informed at the end of lunchtime, however this might be sooner depending on the nature of the behaviour. Key Stage Leaders will alert the SLT of any incidents.

**4. Serious Incident**

- The child should be taken to the office by the Lunchtime Controller and the incident should be explained to the Executive Principal or Head of School. The offence should be documented in the Behaviour Log (kept in Executive Principal's office). The Executive Principal should be made aware of this.

**5. Emergency Procedure**

**Please use the walkie talkie system to contact the office immediately.**

- **If a child continues to present a danger to themselves or others the Lunchtime Controller should send for a member of the Senior staff to assist (from the office or staffroom). The offence should be documented in the Behaviour Log. The Executive Principal will decide to report the incident to the parents and decide on future support and sanctions.**

**6. Behaviour log three times in one term**

- The parents will be informed and invited to school to discuss the matter and this will be followed up by a letter. A behaviour plan will be the likeliest outcome.

**7. Review of Behaviour**

- The Head of School will review the names in the lunchtime controllers book weekly and counsel the child whose name has been written in there. SLT review all behaviour.

**10.5 Wet Play**

- It would be helpful if class teachers could clearly label cupboards or drawers where equipment for wet play is kept. Each class should have a list of activities which they can choose from.
- No scissors should be used. Interactive whiteboards, iPads and other ICT equipment may be used at the teachers discretion. The teacher should leave clear instructions about their use.

**11. Exceptional Children**

The school, at any point in time, may have a child or children with SEND that result in persistent poor behaviour, for example ADHD, Tourette's. These children will have behaviour plans to meet their needs that will be overseen by the schools SEND Leader, Mrs Garland. Where necessary a Behaviour Support Specialist

will be used. Whilst the school is committed to inclusion and reasonable adjustment will be made, all children are subject to this policy and procedures.

# Golden Rule

(This is how we behave at Lowbrook Academy)

The one rule for all of us in school is:

***Everyone will act with courtesy and consideration to others at all times.  
We will keep ourselves and others safe.***

## COVID 19 Behaviour Policy Addendum for Pupils Attending School

At Lowbrook Academy, we aim to maintain a secure, caring and stimulating environment in which children are encouraged to have respect for themselves and each other. Whilst expectations in our Behaviour Policy remain pertinent, it is necessary, in light of the COVID-19 pandemic, to make some adjustments for the safety of all pupils and staff.

It is to be used in conjunction with, and read alongside, the current Behaviour Policy, Anti-Bullying Policy, Email, Internet & E-Safety Policy, Child Protection & Safeguarding Policy (with particular reference to the section on peer-on-peer abuse) and Virtual Learning Protocol. These adjustments are set out below:

### **Arrivals, departures and moving around the school**

Parents and caregivers will drop their children off designated drop off times for their 'bubble' at the gate by the Kiss and Drop zone which will be marked out at 2m intervals. Children will walk into school independently and parents and caregivers will not be permitted to enter the school site. All pupils will enter this way including EYFS children and will go straight to their designated 'bubble' classroom, via the outdoor washbasins where they will be required to wash their hands, keeping a 2m distance from any other individual at all times. There will be markers on the floors to support children with social distancing.

At their designated home time, children will leave the building from their designated exit and will assemble at the grass verge by the Kiss and Drop zone. They will leave one at a time when their parent or caregiver has come to collect them, again keeping their distance using the markers as a guide.

Movement around the school will be limited. When the children leave their classroom to go outside for break, lunch or outdoor learning, they will maintain 2m distance from peers and adults in their allocated outdoor zone.

Children will be expected to tell a member of staff if they are unwell and are exhibiting signs of Coronavirus by raising their hand.

Children must have a responsibility for their own equipment e.g. water bottles, stationery, etc. and ensure that these are not shared with other pupils.

### **Hand washing and Hygiene**

Children will be expected to follow all hand washing and hygiene routines while in school. Children will wash hands before entering school, after returning from the outside, before and after eating and at regular intervals during the day.

We ask children to follow the 'catch it, bin it, kill it' mantra when in school. If they need to cough or sneeze, they should use a tissue or crook of their arm. Children will be reminded not to touch their face, mouth, nose or eyes while at school. Should a child refuse to follow these routines, disciplinary procedures and sanctions will be used (see below).

### **Social Distancing**

Children who are old enough will be expected to socially distance from their peers and adults in school and on the playground/field at all times. Pupils in EYFS, Y1 and Y6 will have their own table with chairs spaced 2m

apart. When children enter their classroom, they will be expected to go straight to their table and nowhere else in the room. Children will put their hand up if they need an adult's support, they will not get out of their seats.

Teachers will ensure that pupils, where ever possible, adhere to social distancing measures. Where older pupils are not complying, the usual disciplinary procedures and sanctions will be used (see below).

We understand socially distancing may be more difficult for younger children, they will be encouraged wherever possible to keep a distance from peers and adults, however, we understand this may not always be possible.

### **Toilets**

Each bubble will have their own toilets to use. These will be sign posted. Children will be supervised (EYFS & KS1) and encouraged to use the toilets one at a time. When a child has finished in the toilet they must wash their hands.

### **Break times and lunch times**

Children will have a designated place to play during break times and lunch times and will be expected to remain socially distant from both peers and adults during these periods. Children must stay in their designated outdoor area at all times.

### **Rewards**

The Team Point system will continue to be used during COVID-19. Teachers and Teaching Assistants welcome opportunities to praise individuals for good work, attitude or good behaviour, and show recognition, if these are brought to their attention. Above all praise and encouragement should be used as much as possible.

Walking through school to show their work to the Executive Principal or other members of the SLT for acknowledgement and praise during this time will not be permitted, however, work can be celebrated within their 'bubble' using the Team Point system or Work Of The Week.

### **Behaviour in school**

If a child's behaviour is deemed high risk, for example, refusing to adhere to safety measures, such as, hand washing, social distancing, remaining in their pods or deliberate behaviours that put themselves or others at risk, such as spitting or deliberately coughing at people. The following sanctions and disciplinary procedures could be used:

- Conversation(s) with pupil(s) which could include a verbal warning, moving seats if logistically possible and other behaviour management strategies in line with our current behaviour policy.
- Once all appropriate behaviour management strategies have been exhausted, contact should be made with pupil's parent/caregiver.
- If the health and safety of other pupils and staff members are put at risk by the pupils not adhering to social distancing measures, then the parent/caregiver will be expected to collect the pupil and a fixed term exclusion will be applied in line with Exclusion guidance.

### **Pupils with Special Educational Needs**

The Academy acknowledges that children will have had a range of different experiences during the lockdown

period which may have an impact on their behaviour presentation upon return to school. Some may present with frustration as a result of being isolated from friends or having missed a significant event or experience; e.g. exams, school trip, etc. Others may have experienced bereavement or loss or another, real or perceived, traumatic episode. For many, the process of re-engagement with learning and the school community, under unusual circumstances, may require some additional input and encouragement.

As a result of these varied experiences children may present with behaviour that is not usual, this may include;

- Anxiety; lack of confidence
- Challenging behaviour; fight or flight response
- Anger; shouting, crying
- Hyperactivity and difficulties maintaining attention

For some children, including those with attachment concerns or SEN, and especially those with autism, the change in routines and lack of familiarity will require additional adjustment. If necessary, the Academy will undertake an individual risk assessment and create a Behaviour Plan for the child and use reasonable endeavours to make the necessary adjustments to reduce the stimulus that may be triggering the challenging response.

The Academy will work closely with parents to implement supportive strategies that will inform an appropriate response. If necessary school will seek external support from other agencies such as Educational Psychologists or Early Help.

### **Pupil's working from home**

If interacting with other pupils or staff online, students should always be kind and respectful to each other and respectful and obedient to staff, remembering at all times that that staff are not 'friends' with, or peers to, pupils.

Pupils should never attempt to contact staff via social media or make comments about staff on social media platforms. Any inappropriate comments to staff online, via Google Classroom/Email/Purple Mash, or any other platform will be taken very seriously. This is also the case of for any online bullying towards other pupils or peer-on-peer abuse that is disclosed to the school during this time. For further information, please refer to the Academy's Virtual Learning Protocol.
