

Charging & Remissions Policy

Introduction

All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum, with the exception of individual or group music tuition.

Voluntary contributions

When organising school trips or visits, which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. The contributions requested will not exceed the actual cost (per pupil) of provision and all contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution. We do not treat these children differently from any others. Payment of voluntary contributions is known only by the Office Manager, School Business Manager and Principal.

If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provides this information on request.

The following is a list of additional activities organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- Visits to museums and other places of cultural or sporting interest
- Musical events
- Sporting trips
- Theatrical events
- Y6 residential trip

Residential visits

If the school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education. However, we do make a charge to cover the costs of board and lodging and travel. Parents who receive the following state benefits are exempt from payment:

- Income Support
- Income Based Jobseekers Allowance
- Support under Part VI Immigration and Asylum Act 1999
- Child Tax Credit (providing Working Tax Credit is not also received)
- Guaranteed State Pension
- Income related Employment and Support Allowance
- In most cases, children identified with Pupil Premium support

Music tuition

All children study music as part of the normal school curriculum. We do not charge for this.

There is a charge for individual or group music tuition if this is not part of the National Curriculum. The peripatetic music teachers teach individual or small group lessons. They make a charge for these lessons. Parents in receipt of state benefits or who qualify for Pupil Premium are able to apply for funding via the school office or website. We give parents information about additional music tuition on a regular basis.

Swimming

The school organises swimming lessons for all children in Year 3. These take place in school time and are part of the National Curriculum. We make no compulsory charge for this activity, but we do invite voluntary contributions. We inform parents when these lessons are to take place and we ask parents for their written permission for their child to take part in swimming lessons.

Clubs and Organisations

The school offers several externally run after school clubs. These include multi-sports, football, kickboxing, street dance etc. These clubs are chargeable directly to the parent and the provider pays a hire cost in line with the school Lettings Policy.
